BC CENTRE FOR NURSING FOOT CARE EDUCATION + CLINICAL

Your 90 minutes will include:

- Nail trimming
- Help with thick or hard-to-manage nails
- Callus and corn reduction
- Skin care & moisturizing
- Neuropathy & circulation assessments
- Footwear, education and referrals as needed

We want to keep you comfortable, confident, and walking!

This clinic is performed by RNs & LPNs completing advanced training and is part of the Advanced Nursing Foot Care Program by PEDEd and Okanagan College. All care is part of their supervised practicum and is observed by an experienced Foot Care Nurse Educator to ensure a safe, supportive experience.
